EXPERIENCE CSU
Next Step
Confirmation Book

www.otp.colostate.edu
Colorado State University
Welcome to Next Step Transfer Student Orientation!

We are excited that you will be joining the Colorado State University community this fall, and before you arrive on campus for your Next Step Orientation session, we have some important information for you to review. The information contained in these pages will answer many of your questions and help you prepare to spend a day with us on campus this summer.

Inside this guide you will find:

- Important information about your upcoming Next Step experience
- Detailed steps which walk you through how to prepare for Next Step (depending on where you are in your transition, you may have several steps to complete before your on-campus experience – so read carefully!)

So, get out a pen and paper, and make sure to jot down any questions you may have.

We’re here to help...

If you have questions or concerns, you can contact our office for assistance at (970) 491-6011 or orientation@colostate.edu. Our friendly staff is available from 9 a.m. to 4 p.m. Monday through Friday to help you with any issues that may arise. It’s our goal to have you prepared in advance of your session so that you can get the most out of Next Step Orientation.

Step 1: Learn more about the Next Step Transfer Orientation experience!

Next step is a day long program that will introduce you to the CSU campus, the many resources and services available to support your educational goals, and assist you with academic advising and class registration for the fall semester.

We don’t send you through our freshman orientation! Next Step is created specifically for transfer students. As transfer students, we know you have skills and knowledge to be successful in college. You have taken college level classes, interacted with professors, and navigated a community college, college or university campus. Next Step has been designed to assist transfer students learn more about the policies and procedures, resources and services, and expectations that are required for you to be successful at CSU.

Check-in for the program beings at 8 a.m. Please review the confirmation e-mail for your specific check-in location. Plan to check-in early so you have time to take advantage of the CSU Resource Fair which will take place from 8:00 – 9:00 a.m. prior to the start of the program. You can also help yourself to the continental breakfast at that time!
What does the student schedule look like?

Check out the 2010 Next Step schedule at-a-glance. This is a tentative schedule so programs and activities may change before your session. You will receive an official schedule when you check-in for the program.

*Interest sessions allow you to pick and chose presentations that are most important to you and your transition. A full list of interest session presentations will be provided when you check-in for the program.

Getting here: Directions and parking

Colorado State University is located 60 miles north of Denver and 50 miles south of Cheyenne, WY just west of I-25.

- From I-25 take the Prospect Rd. exit (exit 268)
- Follow Prospect Rd. west to S. Whitcomb (about 4 miles)
- Continue onto Meridian Ave.
- Turn right at W. Pitkin St.
- Look for green directional signs on campus to direct you to check-in.

Click here for a Google Map with directions from I-25.

Parking on campus can get a little confusing, so here are some very important instructions for parking during Orientation. Please read carefully to avoid receiving a parking citation.

- Parking permits are not required in Q, W, X and Z lots during the summer months; these lots will be where you are directed to park during Next Step.
- We would suggest parking in the lot on the west side of Braiden Hall, #470 (between Braiden and Aylesworth Halls).
- If this lot is full, please park in the lot located diagonally southwest from Braiden Hall, #505. Look for orientation parking signs designating available parking in this lot.
- Please do not park in “A” parking zones. You will receive a parking citation in those lots.
- Please note: Parking in the Library parking lot, #425, is prohibited and you will receive a parking citation.

Here’s a handy campus parking map: [http://parking.colostate.edu/files/maps/mapside.pdf](http://parking.colostate.edu/files/maps/mapside.pdf).
Here are a few more tips about parking on campus:

A Lots
Enforced 7:30 a.m. to 4:00 p.m. Monday through Friday, except for University Holidays when ALL University offices are closed. Please be aware of specially signed portions of “A” lots which are enforced until 7:00 p.m. in lots 310, 350, and 425.

Meters/Pay-by-Space
Enforced 7:30 a.m. to 4:00 p.m. Monday through Friday, except for University Holidays when ALL University offices are closed.

B, D, F, I, S, T, U, Client, Handicap stalls, Load zones, Timed lots, Construction lots, Safety areas, and Special Parking areas
Enforced as posted at all times.

Q, W, and X Lots
Enforced 7:30 a.m. to 8:00 p.m. Monday through Friday, except for University Holidays when ALL University offices are closed and Summer Session. Enforcement begins first day of classes and ends last day of finals for Fall and Spring semesters. You can park in any Q, W, and X lot during Next Step Orientation!

Z Lots
Enforced 7:30 a.m. to 4:00 p.m. Monday through Friday, except for University Holidays when ALL University offices are closed and Summer Session. Enforcement begins first day of classes and ends last day of finals for Fall and Spring semesters. You can park in any Z lot during Next Step Orientation!

Moby Arena Lot
Moby Arena is a special event lot. Parking is restricted during special event dates and is posted in the lot. All other times the lot is regularly enforced.

Visit [www.parking.colostate.edu](http://www.parking.colostate.edu) for more information about parking on campus.

What do I bring?

- A photo I.D. (driver’s license, passport, or government issued photo ID) in order to get your Ram Card (student ID)
- Immunization forms (if you haven’t already mailed them to CSU Health Network)
- Any transcripts that you have not submitted to the Transfer Evaluation Office to share with your academic advisor
- Comfortable clothes and shoes (there will be campus tours and a significant amount of traveling between buildings)
- Backpack or bag (we will be giving you a lot of materials)

Welcome Parents, Families and Guests!

We are so pleased your student has chosen to attend Colorado State University! Next Step Transfer Orientation gives transfer students the opportunity to learn more about Colorado State, make connections with students, staff and faculty, to meet with an academic advisor and to register for fall classes. As parents, family members, and guests, you will also learn about academics and student involvement at CSU. We have designed a special schedule just for you!

You must make a reservation for the Next Step Orientation program through our reservation system. If you aren’t sure if you have a spot reserved, simply refer back to the e-mail to see who is confirmed to attend. Your student can also log into the reservation system with his/her eID to review the confirmation. If you have not reserved a spot in the session and you would like to attend the session with your student, you may add yourself to the reservation and pay the $30 per person fee online (please read the refund policy concerning cancellations).

Visit [www.otp.colostate.edu](http://www.otp.colostate.edu) to add guests to the reservation.

[www.otp.colostate.edu](http://www.otp.colostate.edu)
Step 2: Mail your transcripts

Advising and registration for fall semester classes will take place during the afternoon of your Next Step session. In order for an advisor to help create a complete and accurate schedule, it is important to have your most recent transcripts and major information on file.

Mail your final transcripts from ALL previously attended institutions as soon as possible to: Colorado State University Registrar’s Office – Transfer Credit Evaluation, 100 Administration Annex, Fort Collins, CO 80523-8021

Please note: If you have questions related to the transfer of your credits, visit www.transfer.org/uselect or call Transfer Evaluation at: (970) 491-7147.

If you are taking summer classes, please bring an updated transcript and/or a list of courses in which you are currently enrolled to your Next Step session. Course information provided on the transcript will be needed for your advising appointment.

What does the parent, family, guest schedule look like?

The parent, family, guest program runs concurrently to the student program. This is a tentative schedule so programs and activities may change before your session. You will receive an official schedule when you check-in for the program.

*Interest sessions allow you to pick and chose presentations that are most important to you and your student. A full list of interest session presentations will be provided when you check-in for the program.
Step 3: Determine what placement exams you need to take and complete them online!

Don’t get nervous! Placement exams are designed to make sure you take classes that are consistent with your preparation; placement exams are not a condition for admission to CSU. There’s nothing more difficult than struggling through a class for which you’re not ready. Read through the description of each placement exam to determine which exams you need to take. Please visit each of the exam websites for additional information, study guides, and online exams. If you are unsure about which exams you need to take, please call our office at (970) 491-6011 and we will work with you to identify the appropriate exams.

There are charges for each placement exam completed. Exam charges are automatically assessed to your student account with the University. For test accommodations, contact Resources for Disabled Students at (970) 491-6385 (V/TDD).

Math Placement Exam (MPE)

If you will not be transferring appropriate college, AP, or IB credits in math, you will need to take the MPE. You must study for and take the CSU Math Placement Exam (MPE) from home using a personal computer BEFORE attending Next Step. The results of this exam may affect your ability to register for some classes.

Visit: www.math.colostate.edu and click on “Math Placement” for review materials and instructions.

If you need special arrangements for taking the Math Placement Exam because of a learning or physical disability, please contact the PACe Office at least one week in advance of attending Next Step, 137 Weber Building, (970) 491-5761.

English Composition Placement Exam

Students who do not have transfer credit for a course equivalent to CO150 or CO130, or students who score lower than 600 on the SAT critical reading or lower than 26 on the ACT English must take the Composition Placement/Challenge Exam to be placed in an appropriate composition course.

Please note: In order to register for a composition course at Next Step, you will need to take this exam online at least one week prior to your scheduled session. If you have questions about the Exam, please contact the English Department at (970) 491-1898.

Visit: http://writing.colostate.edu/comp/placement.cfm for the online exam.

Foreign Language Placement Exam

If you plan to take a foreign language course for which you have had prior instructions but will not be transferring credit, you will need to take the Foreign Language Placement Exam.

For information about foreign language placement exams, please contact the Department of Foreign Languages and Literatures at (970) 491-6141.

Visit: www.colostate.edu/Depts/FLL/ for the online exam.
Step 4: Explore the Class Schedule Search

Now it’s time to take a look at the Class Schedule Search feature in RAMweb. We have created a step-by-step example for you to try out as you learn our system. For this example you will be searching for ECON 202.

☐ Go to www.ramweb.colostate.edu
☐ Enter your eID and ePassword
   - Forget your password? Click on the link that says ‘I forgot my Username and/or Password’ and follow the instructions.
☐ Under the “Registration” section of RAMweb click “Class Schedule Search”
☐ Click the link for “Fall Semester 2010”
☐ In the “Course Code” box search for ECON 202
☐ Find the column called “Sec” for Section
   - *Is there a number for the class in this box?* If yes, then that is the lecture portion of the class (ex. 001)
   - *Is there a letter and a number for the class in this box?* If there is an ‘R’ before the number, then this is a recitation for the class. If there is an ‘L’ before the number, then this is the Lab portion of the class. (ex. R01 – You will need to scroll down to see this example)
☐ Identify the “CRN” (course reference number) column and click on the number to see detailed information regarding that section.
   - For the ECON 202 example, click on the number 63380
   - You will see a note that instructs: “Must also register for R01, R02 R03, R16, R17, or R18.”
☐ On this same screen, click on “View Catalog Entry”. This screen will give you additional information about the course.
   - For the ECON 202 example, you will see that there are a number of “Prerequisites” for the course as well as other restrictions.
☐ Click “Back” on your browser until you reach the “Class Schedule Quick Search” screen again. Find the link in green writing in the first sentence that says “Advanced Search”. This has many search options that you can explore if you’re looking for something specific or you just want to browse the class list.
   - You must select at least one “Subject” to use this search. From there you can narrow your search by adding other criteria.
   - To select more than one “Subject”, hold down the “Ctrl” key as you select additional subjects.
   - To select all “Subjects”, click on “Accounting-ACT”, scroll to the bottom of the list, hold down the “Shift” key, and click on “Women’s Studies-WS”.

Now let’s take a look at how to register for those classes. Please note: you will not be able to access the registration system until you complete “Registration Ready.” You will not be able to complete Registration Ready until you meet with your academic advisor at Next Step and receive your advising code. Please reference this section once you are ready to register for classes.

☐ Search for a class with one of the methods listed above
☐ Identify the column “Select”
   - Open sections will have a check box. Closed sections will have a “C”
   - Click the box of the class you would like to add. Remember if there is a recitation “R” or lab “L” you will also need to click that box.
   - Scroll to the bottom of the screen and click “Submit” to register for the class.
   - Or click “add to worksheet” button to keep looking
☐ Adding a class if you know the CRN:
   - At the bottom of the main registration screen, you can type in multiple CRN’s and click register.
☐ Dropping a course:
   - From the main registration screen, under the “Action” column, use the drop down box and select “drop course on web”
   - Scroll to the bottom of the screen and click “Submit”
**Step 5: Review your Transfer Credit Report**

It is important to review your Transfer Credit Report prior to attending your scheduled Next Step session. To access your report, login to RAMweb at [www.ramweb.colostate.edu](http://www.ramweb.colostate.edu) and click on Transfer Credit Report under the Records section. Your report will look something like this:

<table>
<thead>
<tr>
<th>NAME:</th>
<th>Transfer Taylor</th>
</tr>
</thead>
<tbody>
<tr>
<td>CSUID:</td>
<td>800000000</td>
</tr>
</tbody>
</table>

### Colorado State University-Pueblo

<table>
<thead>
<tr>

<th>CSU Course</th>
<th>Credits</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>MATH 2830</td>
<td>Intro Statistics</td>
<td>SP07</td>
<td>STAT201</td>
<td>3</td>
<td>TB</td>
</tr>
</tbody>
</table>

**Total Credits for Transfer Taylor from University of Colorado-Boulder**: 3

If you feel you should receive a different equivalency than what has been awarded, we have a process for that! You may request a re-evaluation of transfer courses, if you believe the content warrants a different CSU course equivalency than the one provided through the initial course evaluation. You need to make this request to the teaching department of the course for which you wish to receive credit. To do so, you will need to obtain the Request for Course Equivalency Re-evaluation Form from the Registrar’s website at [www.registrar.colostate.edu](http://www.registrar.colostate.edu), or from the Registrar’s Office in Centennial Hall, and take the form to the appropriate teaching department with a copy of the course description and/or syllabus from the course you wish to have re-evaluated. If the department approves your request, they will need to sign the re-evaluation form. The completed and signed form must be submitted to the Registrar’s Office by email at registrarsoffice@colostate.edu, fax at (907) 491-2283, or in person in Centennial Hall.
Reading your Transfer Credit Report

Reading your report is easier than you think. Here’s what all of the numbers, letters, and symbols mean:

<table>
<thead>
<tr>
<th>College</th>
<th>Course Title</th>
<th>Term</th>
<th>CSU Course Equivalent</th>
<th>Credits</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>Front Range Community College</td>
<td>International Business</td>
<td>SP05</td>
<td>BUS 2++</td>
<td>3</td>
<td>TB+</td>
</tr>
</tbody>
</table>

*This is a general elective (can be 100-400 level) meaning: (1) there is no exact CSU match or (2) coursework is over 10 years old or (3) is a studio course requiring a portfolio review by the teaching department or (4) is an advanced course to be evaluated by the teaching department or (5) there is not enough course information to evaluate.*

<table>
<thead>
<tr>
<th>College</th>
<th>Course Title</th>
<th>Term</th>
<th>CSU Course Equivalent</th>
<th>Credits</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>Pikes Peak Community College</td>
<td>College Trigonometry</td>
<td>SP07</td>
<td>MATH1+1B</td>
<td>3</td>
<td>TC</td>
</tr>
</tbody>
</table>

*This math course has no exact CSU equivalent, but is given a 100-level Math elective that will satisfy the general education requirement for the All-University Core Curriculum (AUCC) Mathematics Category 1B.*

<table>
<thead>
<tr>
<th>College</th>
<th>Course Title</th>
<th>Term</th>
<th>CSU Course Equivalent</th>
<th>Credits</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>Arapahoe Community College</td>
<td>Physics II</td>
<td>SP07</td>
<td>PH 122</td>
<td>3</td>
<td>TC+</td>
</tr>
</tbody>
</table>

*Actual direct equivalent for CSU course General Physics II – PH 122.*

<table>
<thead>
<tr>
<th>College</th>
<th>Course Title</th>
<th>Term</th>
<th>CSU Course Equivalent</th>
<th>Credits</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>University of San Diego</td>
<td>College Experience</td>
<td>SP08</td>
<td>NONE</td>
<td>3</td>
<td>TA-</td>
</tr>
</tbody>
</table>

*Considered remedial/non-academic/vocational or professional in nature, therefore no credit is awarded.*

<table>
<thead>
<tr>
<th>College</th>
<th>Course Title</th>
<th>Term</th>
<th>CSU Course Equivalent</th>
<th>Credits</th>
<th>Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bel-Rea Institute</td>
<td>No Transfer Credit Awarded</td>
<td>FA08</td>
<td>UGTR+++</td>
<td>0</td>
<td>T5</td>
</tr>
</tbody>
</table>

*Transfer courses are either in progress, taken for a graduate degree or from a school not regionally accredited.*

If you have any question concerning your transfer credit, you can contact the Registrar’s Office (970-491-4861, registrarsoffice@colostate.edu) for assistance.

www.otp.colostate.edu
Step 6: Learn to read your Degree Plan

Now that you have reviewed your Transfer Credit Report, it's time to see how those credits fulfill general education and major requirements at CSU. Log-in to RAMweb at www.ramweb.colostate.edu and click on the link “My Undergraduate Degree Plan (DARS)” under the ‘Records’ section. This may look a little overwhelming at first; however, once you understand how to read the report you will find it to be an amazing tool. Please print a copy of your Degree Plan and bring it with you to your Next Step session.

Your academic advisor expects that you read and understand your DARS report.

Step 1: My Degree Program
- From your RAMweb Home, click the link that says “My Undergraduate Degree Plan (DARS)” under the ‘Records’ section.
  - Apply the appropriate settings: (select degree program)
  - Click “RUN AUDIT”
  - Click “View Submitted Audit”
  - Click the appropriate audit (if your audit does not appear right away, click “Refresh the List”)

Step 2: Understanding DARS (a very useful tool for your entire time at Colorado State University!)
- Charts - easy way to see where you’re at for graduation:
  - The green indicates the fulfilled credits and the pink indicates the unfulfilled credits.
- Red X’s and Green checks:
  - Red X= unfulfilled category
  - Click on the X to see a list of courses that can be taken to fulfill that particular requirement
  - Green check = fulfilled category

Step 7: Begin Registration Ready

Before attending your scheduled Next Step session, you must start the Registration Ready process. Log in to RAMweb using your eID at: www.ramweb.colostate.edu. This process should be mostly completed before attending your scheduled orientation session. Please note that you will not be able to enter your advising code during the Registration Ready process because you will receive this code from your academic advisor during Next Step. If you have any questions regarding Registration Ready, please use the “Contact Us” link in RAMweb and select “Registration Questions.”
Step 8: Complete your immunization forms

Colorado state law requires that all students enrolled for one or more classes and born on or after January 1, 1957 must provide proof of two vaccinations for measles, mumps, and rubella prior to enrollment. All new students are required to submit Immunization records to Colorado State University. For more information about immunization requirements you can visit: www.health.colostate.edu/MedicalServices/Immunizations/index.cfm.

Completed immunization records can be mailed to:
CSU Health Network
Immunizations Department
Colorado State University
Ft. Collins, CO 80523-8031

If you prefer, immunization can be dropped off at the CSU Health Network during your session.

Step 9: Learn about RamLink and Transfer Ram Welcome!

RamLink

Now that you have registered for Next Step, it’s time to set up your RamLink account. What is RamLink? We’re glad you asked. RamLink is your online involvement network at CSU. Students at CSU use their RamLink account to connect with student clubs and organizations, involvement and service opportunities, and to connect with other students who have similar interests and passions. To set up your RamLink account visit: https://wsnet.colostate.edu/cwis21/WebAuth and sign in with your eID. Once in the site, set up your profile and begin browsing for opportunities!

Transfer Ram Welcome

Ram Welcome for Transfer Students is an orientation and transition program for all new transfer students. Build upon your Next Step experience and begin your successful adjustment to Colorado State University by exploring academic programs, meeting faculty and staff, learning about the many services available to support your college experience, becoming part of the CSU campus community, connecting with other new and current transfer students, and discovering what it means to be a CSU Ram!

Ram Welcome begins Thursday, August 19, 2010 and continues through Sunday, August 22, 2010 (classes for students begin Monday, August 23, 2010). For more information about Ram Welcome, visit: www.ramwelcome.colostate.edu.

Ram Welcome does not replace your experience at Next Step; it enhances it. Once you return to campus for Ram Welcome, you are just days away from beginning your new experience at CSU. Ram Welcome will put the finishing touches on your preparation and will assist in your continued transfer into the University.

www.otp.colostate.edu
Step 10: Visit your academic college website and explore other important online resources

CSU has a number of resources and services available to support your transition to CSU. We will be going over a number of these resources more in-depth at Next Step, but take a few minutes now to visit these resource websites.

Academic Colleges
CSU has eight academic colleges that house more than 150 programs of study. Click on your college to learn about your new academic home at CSU. Not sure what college you are a part of? You can visit the Undergraduate Programs of Study to search by major (www.admissions.colostate.edu/academics/poslist.aspx).

College of Agricultural Sciences - www.agsci.colostate.edu
College of Applied Human Sciences - www.cahs.colostate.edu
College of Business - www.biz.colostate.edu
College of Engineering - www.engr.colostate.edu
College of Liberal Arts - www.libarts.colostate.edu
College of Natural Sciences - www.natsci.colostate.edu
College of Veterinary Medicine & Biomedical Sciences - www.cvmbs.colostate.edu
Warner College of Natural Resources – www.warnercnr.colostate.edu

If you have not yet decided on a major, we have a special home for you, the Center for Advising and Student Achievement (CASA: www.casa.colostate.edu/Advising/) works with all undeclared students. Visit CASA now to learn more about the unique opportunities for undeclared students!

Important dates
As a student, it is your responsibility to be aware of important dates and deadlines. For a list of other important dates and deadlines, visit CSU Events and Calendars: www.events.colostate.edu.

Academic Resources
All of the resources and services at CSU are provided to help you succeed academically. Here are a couple resources that are particularly important in your transition.

Academic Calendar – www.events.colostate.edu
Morgan Library – www.lib.colostate.edu
RAMweb – www.ramweb.colostate.edu
The Institute for Learning and Teaching – http://tilt.colostate.edu/
The Writing Center - http://writing.colostate.edu/

Here are some other campus resources that you may be interested in visiting prior to your Orientation session.

Adult Learners and Veteran Services—www.ramwelcome.colostate.edu
CSU Health Network – www.health.colostate.edu
Disability Services (RDS) – www.rds.colostate.edu
Off Campus Student Services - www.ocssral.colostate.edu
Parking Services – www.parking.colostate.edu
Student Diversity Programs and Services (SDPS) - www.studentaffairs.colostate.edu/student-diversity.aspx
Student Financial Services (SFS) – www.sfs.colostate.edu
Student Leadership, Involvement, and Community Engagement (SLICE) - www.slice.colostate.edu
Transfer Evaluation – www.registrar.colostate.edu/students/transfer/index.aspx
Transfer Programs @ CSU – www.otp.colostate.edu/transfer/default.aspx

Parents/Families
Parents and families, we have a resource just for you. The Parent and Families website (www.parentsandfamily.colostate.edu) is your gateway to everything CSU including paying bills, getting academic help, important campus news and updates, information about the RAMFAM Association, and much more.
